Our Founder...
Her Dream!

"The Rose Trellis"

Chosen to honor our founder Mrs. Rose E. Scherer.
A "Trellis" is a structure of open latticework that is used to support and facilitate the growth of a rose bush. Thus the name "The Rose Trellis", Rose for our founder and trellis for the support of those who believe in the Organization Of Triangles, Inc.

THE SECOND DUTY OF THE TRIANGLE

...IS THE DUTY WE OWE
TO OTHERS!

Originally of Morningstar Triangle,
Christin Vogt Heidingsfelder
(Great-Granddaughter of our
founder, Rose E. Scherer) and
members from her church traveled
from Pennsylvania to
Island Park, NY to work with
"Samaritan's Purse" on the Super
Storm Sandy rebuild phase. It has
been more than a year since the

storm, yet many people in Island Park are still not back in their homes. Because overnight lodging is costly for them, Christin is looking for Triangle families who might be interested in supporting the mission work by hosting a hand full of volunteers for a night? They have air mattresses to sleep on. They simply need a building to sleep in, breakfast for a Saturday morning and dinner the same evening. A Masonic building would even work well. They can provide funds to cover the cost of the food.

ONISTAGRAWA TRIANGLE Scotia, NY

On Sunday, March 2, 2014,
Onistagrawa Triangle had an open

meeting where they welcomed a possible new member and daughter of a Past Beloved Queen from Grace Coolidge Triangle. Junior Advisor Annie also attended, and even helped out by filling in as Guardian.

Beloved Queen Ashley prepared a degree of several different poems about friendship. After the meeting everyone got very creative with their food, making animals out of fruit. They threw in a few cookies and came up with some yummy creations!

THE CONVOCATION OF

THE GRAND CHAPTER, ROYAL ARCH MASONS, STATE OF NEW YORK LEFT EVERYONE SEEING RED!

State Representative, Miss Ally Callaghan and State Director, Ms. Mary Madison proudly represented NY Triangle at the Royal Arch Convocation on Friday, March 7, 2014 in Albany, NY. Hundreds, representing much of our Masonic family were there in support of this fantastic event. A very memorable presentation was made in honor of our glorious banner, the American flag.

Another highlight of the day was the \$100,000.00 donation by New York Chapter, Royal Arch Masons to the New York Masonic Research Laboratory in Utica, NY.

SUNRISE TRIANGLE Baldwin, NY

On Sunday, March 9, 2014, the members of Sunrise Triangle helped Wantagh Chapter, Order of Demolay with their "Sweet" Civic Service project at the Ronald McDonald House in New Hyde Park, NY. It was an afternoon of teamwork between the two groups, where they truly showed what 'kids helping kids' means. Sunrise Triangle members, Sweetheart, Maggie Callaghan, Jr. Past Sweetheart Jillian Stephan, Sara

Pietrera and Jess Pietrera joined DeMolay members, Master Councilor Phillip Hurkala and Marc Soyac. After a tour of the facility, the youth began baking while the adults washed the dishes and took hot trays out of the oven. For three hours the members of Triangle and DeMolay worked as a team, bringing some comfort to the families spending time there this week. They enjoyed this so much, it was agreed by all that this was a great project, and they should do this together at least twice a year.
