"The Rose Trellis"
The official Organization of Triangles, Inc. e-newsletter

**Our Founder...
Her Dream!**

"The Rose Trellis"

Chosen to honor our founder Mrs. Rose E. Scherer. A "Trellis" is a structure of open latticework that is used to support and facilitate the growth of a rose bush. Thus the name "The Rose Trellis", Rose for our founder and trellis for the support of those who believe in the Organization Of Triangles, Inc.

A future Triangle girl?

On Sunday, April 13th the girls of Onistagrawa Triangle presented their Jr. deputy Nicole Morrioni with a special degree. Each girl decorated a onesie and shared little stories about when they were babies. The girls then gave special gifts that represented some of their favorite things. Like books, blankets and cuddle items. Ms. Morrioni and her baby will have lots of favorite things to enjoy when he or she is born in May.
