Our Founder...
Her Dream!

"The Rose Trellis"

Chosen to honor our founder Mrs. Rose E. Scherer. A "Trellis" is a structure of open latticework that is used to support and facilitate the growth of a rose bush. Thus the name "The Rose Trellis", Rose for our founder and trellis for the support of those who believe in the Organization Of Triangles, Inc.

N.Y. Triangle Remembers...

All gave some...
Some gave all!

"We observe a brief pause in our devotion to the duties of the three angles of the Triangle to give thought to the memory of those whose sublime devotion

to duty in generations past has been engraved upon the tablets of history. To those whose service on behalf of mankind has been the inspiration for all present day achievements."
