Our Founder...
Her Dream!

"The Rose Trellis"

Chosen to honor our founder Mrs. Rose E. Scherer.
A "Trellis" is a structure of open latticework that is used to support and facilitate the growth of a rose bush. Thus the name "The Rose Trellis", Rose for our founder and trellis for the support of those who believe in the Organization Of Triangles, Inc.

Leadership Weekend 2014 Old Forge, NY

Members of the Organization of Triangles, supervisors, parents, and alumni joined together for a fun-filled Triangle camping weekend in Old Forge, NY.

Top left: To go along with the theme, the Junior Advisors set up a tree for the members to decorate with hand made ornaments, lights, and a Triangle topper.

Right: The Junior Advisors, State Representative, and Ms. Madison

Each cabin had the chance to create a door decoration that was judged by the Junior Advisors. Great job by all!

During the weekend, the girls got to participate in many different icebreakers that really brought them together!

On the Friday night, the Junior Advisors

put on a mock business meeting where the members and supervisors got to critique floor work and ask questions. It was wonderful to see so many girls taking part.

On Saturday before the trip to the water park, the Junior Advisors held seminars on dress code, public relations, membership retention, ritual, and a Triangle Jeopardy game.

After the seminars, everyone got ready to head to the local water park for the afternoon...

Let's say they had a SPLASH!

On Saturday evening, the Junior Advisors held the Snowflake Awards where they handed out certificates for the many competitions that occurred throughout the weekend. Congratulations to the winners!

Triangle Rededication Ceremony

On Saturday at sunset on the beach,
the girls performed the Rededication
Ceremony.

As all of the past and present Triangle
girls finished saying the oath, the skies
opened up and it started to pour...

Our founder, Rose E. Scherer and her
daughter, the first Beloved Queen,
Hazel Koch were making sure that we
knew they were with us.

It was truly a night to remember!

Special thanks goes out to..

Mr. Walker for preparing and cooking the meals for the entire weekend. Mr. Walker was so worried about the food staying cold that he brought a full size

refrigerator! Talk about being
dedicated!

Mr. Turri for making sure to get every
moment caught on camera!

Ms. Madison for all of her hard work in
making the weekend so perfect.

And to the 2013-2015 Junior Advisors
for their ideas and leadership while
planning and executing the event.

No Leadership Weekend would be
complete without some sort of bear
encounter...

Saturday morning, Mrs. Callaghan went
to her car to find bear paw-prints and
scratches on her mini-van. Apparently,

bears know how to open car doors.
Luckily it was locked and the bear was
not able to get inside the van!

(And no, the State Representative was
not stuck in the car when it happened!)

On Friday night, the Organization of
Triangles was honored when the Grand
Master, Mr. Thomas, Mrs. Thomas, the
Grand Marshal, Mr. Emmons, and Mrs.
Emmons stopped by Old Forge to have
dinner with the members.

And as if it couldn't get any better..

On Saturday night, Mr. Roche of the
Royal Arch Masons in New York visited
the campsite with his wife to have

dinner with the girls and to witness
Rededication.

The Organization of Triangles would
like to give a huge thanks to these
adults. We appreciate your support of
the weekend, our organization, and
most importantly, these young ladies,
more than you know.

Thank you!

After such a successful event, all that is
left is to ask..

who's coming to
Leadership Weekend 2016?

We will see you there!
