

"The Rose Trellis"

The official Organization of Triangles, Inc, e-newsletter

"The Rose Trellis" was chosen to honor our founder Mrs. Rose E. Scherer. A "Trellis" is a framework of intertwined pieces of wood that is used to support and facilitate the growth of a rose bush. Thus the name "The Rose Trellis", Rose for our founder and trellis for the support of those who believe in the Organization Of Triangles, Inc.

The "Rose Garden"

Just finished reading this (Scherer Tribute) in my e-mail. Thanks for the hard work! Triangle was such a huge part of my teen years, and am so thankful for all the lessons

I learned and how I learned how to be the woman God meant for me to be. I only wish we had Triangle here in Virginia, my daughters would have gained so much as I did.
