## A trip to New York City the Grand Lodge Building, Times Square, Rockefeller Center and the world famous Christmas Tree

A fantastic view of the historic Grand Lodge room  
This years Christmas tree is a 76 foot tall  
Norway Spruce. When it is taken down, the  
wood will be donated to Habitat for Humanity

To the Organization of  
Triangles, Inc.

May the joys of  
this holiday  
season be with all  
Triangles and  
their families.
